

# Happy 20<sup>th</sup> Birthday Parts & Pieces

I wish to thank the readers of Parts and Pieces for their participation in this newsletter for the past twenty years. It has been a lot of fun for you as well as myself in the many changes to our warehouse, purchasing department across the system as well as the documentation of your personal life that you shared with us.

I have been producing this newsletter mostly solo for the past fourteen years and have enjoyed each and every issue. I am hoping that within the next few months we can recruit a new editor with the enthusiasm that I have had in the past years. It is not an easy job and sometimes there isn't much to write about but there are always our famous retirees and their activities.

I plan to take my retirement on December 31 2003 and will try to continue an unbroken chain of Parts and Pieces issues for your pleasure. Until a new editor is selected, the Newsletter will be produced from my home through your help with emails, letters and telephone calls on upcoming events and past event results. The email address is [frankpedder@videotron.ca](mailto:frankpedder@videotron.ca).

There will be a special large issue that I have been working on for the past year and with your help will be completed on time.

I thank you again in advance for all of your help in the videos, photos and stories that we have produced about you, your work location and your personal life outside Air Canada.

Best regards,  
Frank Pedder  
Editor
